

**13th IEEE International Conference on BioInformatics and BioEngineering
IEEE BIBE 2013**

November 10-13, 2013, Minoa Palace Resort and Spa, Chania, Crete

Guidelines for Authors

Authors can upload a paper using the designated link in the web page of the conference (<http://medlab.cc.uoi.gr/openconf/openconf.php>). A unique paper number is given to each paper which accompanied with a password that the authors fill in the system.

- Use "**Make Submission**" if this is your initial visit as an "Author:" to submit a paper.
- Fill in the Author(s) information.
- Click on the applicable Technical Area(s). **NOTE:** If you are submitting a paper for a **special session** please make sure that you have selected the title of the session.
- Provide keywords, an abstract, and select a file to upload.
- Insert a password you will remember
- Then click "**Make Submission**". You should note down the paper ID returned to you. When you return to "Edit Submission" (modify author information), "Upload File", or "View File", you will need to enter a paper ID and your password. (A forgotten password or Paper ID can be recovered through email address.)
- Use "**Edit Submission**" to change Author and contact information.
- Use "**Upload File**" to update your submitted paper to a newer version.
- Use "**View File**" to access your submitted paper.

You must use your paper ID for the registration
